FORESIGHTS VALUE PROPOSITION

Foresight Australia is a specialist eye-health organisation dedicated to preventing avoidable blindness through sustainable eye-care systems, training, and capacity building.

We partner with hospitals, universities, and local health authorities in low-income and underserved communities — in Australia and across the Asia-Pacific region to develop lasting eye-care services that continue well beyond our direct involvement.

FORESIGHT'S MISSION

To prevent and cure avoidable blindness through sustainable development, training, and equitable access to eye care for all people, regardless of geography or income.

FORESIGHT'S OBJECTIVES

1. Build local capacity through the education and training of ophthalmologists, optometrists, nurses, and community health workers.
2. Develop sustainable eye-care infrastructure in partnership with hospitals and health departments, enabling eye services to operate independently.
3. Strengthen local health systems by embedding governance, accountability, and referral pathways that ensure continuity of care.
4. Reduce blindness-related poverty by restoring sight and enabling individuals to fully participate in education, employment, and community life.
5. Promote innovation and collaboration through partnerships with universities, hospitals, and professional bodies in Australia and overseas.
6. Focus on equity by supporting eye health among vulnerable populations — including children and First Nations communities — where access is most limited.

FORESIGHT'S STRENGTHS AND EXPERIENCE

For over 40 years, Foresight has led collaborative eye-care programs in the Asia-Pacific region and, more recently, in regional and remote Australia.

Our key strengths include:

- Proven expertise in designing and implementing eye-health systems within hospitals and communities.

Foresight (Australian Overseas Aid and Prevention of Blindness) Limited ABN 38 008 622 311

- Longstanding partnerships with universities and medical colleges to train the next generation of eye-care professionals.
- A track record in curriculum design and training for ophthalmic nurses, optometrists, and community health workers.
- An emphasis on local ownership and sustainability, ensuring programs continue under local leadership.
- Alignment with the Australian Council for International Development (ACFID) Code of Conduct and the World Health Organization's Vision 2020 initiative.
- A growing presence in Indigenous eye health, applying our international development model to address inequity in Australia.

Foresight's experience spans programs in Papua New Guinea, Solomon Islands, Timor-Leste, Bangladesh, the Philippines, and Indonesia — most recently establishing a permanent eye clinic and training centre in Sumba, Indonesia. In Australia, Foresight collaborates with regional hospitals and Aboriginal Medical Services to strengthen vision care delivery in rural and remote communities.

CHAIRMAN'S REPORT

George Harris, Chairman

This year marks my first as Chairman of Foresight Australia, and it has been both a privilege and an inspiring experience to lead an organisation with such a long-standing and meaningful impact in eye health. I would like to begin by acknowledging the outstanding contribution of my predecessor, Kevin Gardner, who guided Foresight through the challenges of recent years, particularly during and after the pandemic. His leadership has positioned us strongly to continue building on our legacy of sight restoration and capacity development.

Program Highlights

In 2025, Foresight continued to make significant progress across its major programs, with a focus on sustainability and local empowerment.

The Sumba Eye Program achieved another milestone with the successful completion of the October mission and the establishment of a second permanent eye clinic. Supported by ongoing partnerships and a new round of funding from RANZCO and the Australian and New Zealand Eye Foundation (ANZEF), the program delivered large-scale screening, training, and surgery planning for 2026. Collaboration with local hospitals, doctors, and nurses continues to strengthen, ensuring that the skills and infrastructure we build remain embedded in the local health system.

Meanwhile, the Griffith Indigenous Eye Health Project has gone from strength to strength. With continued ANZEF support, the program has now completed five upskilling workshops, training more than 40 Aboriginal Health Workers, general practitioners, and medical students across the Western Murrumbidgee Local Health District. The integration of eye screening into the "Passport to Better Health" initiative and the donation of a portable retinal camera have significantly improved access to diabetic retinopathy screening and treatment pathways. The program's success was recognised at the 2023 MLHD Excellence Awards and featured at the 2024 RANZCO Scientific Meeting.

Partnerships and Collaboration

Foresight's impact continues to rely on strong collaboration with our partners, including One Sight, RANZCO, ANZEF, The Perth Eye Foundation, Hasanuddin University (UNHAS), PERDAMI, Turramurra Rotary, Griffith Avanti Rotary, Open Heart International, Chatswood Private Hospital, Gordon Eye Surgery, Griffith Aboriginal Medical Service and the Murrumbidgee LHD. Their continued generosity and practical support have enabled the expansion of services, the delivery of training, and the provision of essential equipment to regional and remote communities.

Our volunteers and supporters have remained at the heart of our success. I want to thank and acknowledge all the dedicated team who have worked tirelessly across all our programs — in Sumba, Griffith, and beyond.

Foresight (Australian Overseas Aid and Prevention of Blindness) Limited ABN 38 008 622 311

Financial Overview

Foresight Australia finished the 2024–25 financial year in a stable position, reporting a small surplus of \$5,784, compared with a deficit in the previous year. Total revenue increased to \$317,431, reflecting continued strong donor support and an additional \$80,000 grant.

Expenditure remained carefully managed at \$311,647, with the majority directed toward international development, humanitarian programs, and domestic initiatives. The organisation's net assets grew to \$248,080, indicating sound financial health and sustainability going into the next financial year.

Despite broader financial pressures across the not-for-profit sector, Foresight continues to operate within its means, maintaining reserves and focusing spending on program delivery and capacity-building in line with its mission.

Looking Ahead

As we look to 2026, Foresight is preparing to expand its partnerships and projects, including the exploration of opportunities in the Solomon Islands and the continued strengthening of our programs in Indonesia and regional Australia. Our focus remains on building capacity, empowering local healthcare professionals, and ensuring that the programs we establish are both effective and sustainable.

Acknowledgements

On behalf of the Board, I extend my gratitude to our partners, volunteers, donors, and supporters. I would also like to thank my fellow Directors for their ongoing commitment and expertise.

Together, we remain dedicated to fulfilling Foresight's mission — to prevent and treat avoidable blindness, and to build sustainable, local eye health services that change lives for generations to come.

Thank you for your ongoing support and dedication to Foresight.

FOR THE YEAR ENDED 30 JUNE 2025

The financial statements cover Foresight (Australian Overseas Aid And Prevention Of Blindness) Limited as an individual entity. Foresight (Australian Overseas Aid And Prevention Of Blindness) Limited is a company limited by shares, incorporated and domiciled in Australia.

The financial statements were authorised for issue on 6 November 2025 by the directors of the company.

1. SUMMARY OF MATERIAL ACCOUNTING POLICIES

Basis of Preparation

These general purpose financial statements have been prepared in accordance with the Corporations Act 2001, Australian Accounting Standards and Interpretations of the Australian Accounting Standards Board and International Financial Reporting Standards as issued by the International Accounting Standards Board. The company is a for-profit entity for financial reporting purposes under Australian Accounting Standards. Material accounting policies adopted in the preparation of these financial statements are presented below and have been consistently applied unless stated otherwise.

The financial statements, except for cash flow information, have been prepared on an accruals basis and are based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities. The amounts presented in the financial statements have been rounded to the nearest dollar.

(a) Income Tax

As the company is a charitable institution in terms of subsection 50-5 of the Income Tax Assessment Act 1997, as amended, it is exempt from paying income tax.

(b) Property, Plant and Equipment

Each class of property, plant and equipment is carried at cost or fair value as indicated less, where applicable, any accumulated depreciation and impairment losses.

Plant and Equipment

Plant and equipment are measured on the cost basis and are therefore carried at cost less accumulated depreciation and any accumulated impairment losses. In the event the carrying amount of plant and equipment is greater than its estimated recoverable amount, the carrying amount is written down immediately to its estimated recoverable amount and impairment losses recognised either in profit or loss or as a revaluation decrease if the impairment losses relate to a revalued asset. A formal assessment of recoverable amount is made when impairment indicators are present.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably. All other repairs and maintenance are recognised as expenses in the statement of profit or loss in the financial period in which they are incurred.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2025

1. SUMMARY OF MATERIAL ACCOUNTING POLICIES (CONTINUED)

(c) Financial Instruments

Initial recognition and measurement

Financial assets and financial liabilities are recognised when the entity becomes a party to the contractual provisions of the instrument. For financial assets, this is equivalent to the date that the company commits itself to either purchase or sell the asset (i.e. trade date accounting is adopted).

(d) Employee Benefits

Provision is made for the company's liability for employee benefits arising from services rendered by employees to the end of the reporting period. Employee benefits have been measured at the nominal amounts expected to be paid when the liability is settled, plus any related on-costs. Both annual leave and long service leave are recognised within the provisions liability.

(e) Provisions

Provisions are recognised when the company has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured.

Provisions are measured using the best estimate of the amounts required to settle the obligation at the end of the reporting period.

(f) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at call with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities on the statement of financial position.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2025

1. SUMMARY OF MATERIAL ACCOUNTING POLICIES (CONTINUED)

(g) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or payables in the statement of financial position.

(h) Comparative Figures

When required by Accounting Standards, comparative figures have been adjusted to conform to changes in presentation for the current financial year.

(i) Critical Accounting Estimates and Judgements

The directors evaluate estimates and judgements incorporated into the financial statements based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within the company.

**AUSTRALIAN
AUDIT** 

INDEPENDENT AUDITOR'S REPORT

To the members of FORESIGHT (AUSTRALIAN OVERSEAS AID and PREVENTION OF BLINDNESS) LIMITED

Report on the Audit of the Financial Report

Opinion

We have audited the financial report of FORESIGHT (AUSTRALIAN OVERSEAS AID and PREVENTION OF BLINDNESS) LIMITED (the entity), which comprises the statement of financial position as at 30 June 2025, the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and the directors' declaration.

In our opinion the accompanying financial report has been prepared in accordance with requirements of the Corporations Act 2001 and Division 60 of the Australian Charities and Not-for-profits Commission Act 2012 (ACNC Act), including:

- a. giving a true and fair view of the entity's financial position as at 30 June 2025, and of its financial performance and its cash flows for the year then ended; and
- b. complying with the Corporations Regulations 2001; and
- c. complying with Australian Accounting Standards, and Division 60 of the Australian Charities and Not-for-profits Commission Regulation 2013.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the entity in accordance with the Corporations Act 2001, the ACNC Act and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

(08) 9218 9922 | INFO@AUSAUDIT.COM.AU | WWW.AUSTRALIANAUDIT.COM.AU | ABN: 63 166 712 698

We confirm that the independence declaration required by the Corporations Act 2001, which has been given to the Board of Directors of the entity, would be in the same terms if given to the Board of Directors as at the time of this auditor's report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Matter - Predecessor Auditor

The financial report of the entity, for the year ended 30 June 2024, was audited by Glenn Merchant CA who expressed a Unqualified opinion on that report on 28 November 2024. We do not express an opinion on the comparative financial information for the 2024 year included in this financial report.

Responsibilities of Management and The Board of Directors for the Financial Report

Management is responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards, the ACNC Act 2012 and the Corporations Act 2001. The responsibility of Management also includes such internal control as management determines is necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, management is responsible for assessing the entity's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless management either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the entity's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with Australian Auditing Standards, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Board of Directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on Other Legal and Regulatory Requirements

In our opinion, the entity has complied with 60-30(3)(b), (c) and (d) of the ACNC Act:

- a. by providing us with all information, explanation and assistance necessary for the conduct of the audit;
- b. by keeping financial records sufficient to enable a financial report to be prepared and audited; and
- c. by keeping other records required by Part 3-2 of the *ACNC Act*, including those records required by Section 50-5 that correctly record its operations, so as to enable any recognised assessment activity to be carried out in relation to the entity.
